AYE-AYE, MARINE!

When you are finally called a "Marine" by the drill instructor, it is a very emotional moment. After enduring all the grueling training for the past three months, it's okay to get a little tear in your eyes. (^_^)

FYI, the EGA is a little "off" — it's intentional. The Eagle, Globe and Anchor is an official trademark of the USMC, so we opted not to use the actual logo/pin in our fictional webcomic. Please don't get your panties in a bunch over this detail. Thanks. (^^;
